

About PRISON FELLOWSHIP

Founder,
Charles W. Colson

President,
Mark L. Earley

Founded by former Nixon aide Charles Colson in 1976, Prison Fellowship is the world's largest outreach to prisoners and their families. Prison Fellowship works with churches and volunteers in the U.S. to reach out to prisoners and their families behind bars and beyond. Prison Fellowship brings the faith and secular community together to help give prisoners returning home a second chance at life. Through its Christian worldview ministry, BreakPoint, Prison Fellowship also challenges Christians to shape culture through a biblical perspective.

Mission

To seek the transformation of prisoners and their reconciliation to God, family, and community through the power and truth of Jesus Christ, and the transformation of believers as they apply biblical thinking to all of life, enabling them to transform their communities through the grace and truth of Jesus Christ.

Vision

That Jesus Christ's transforming grace and truth be manifested in the lives of prisoners and their families, as the local church and Prison Fellowship partner in Christ's work to restore prisoners to the community and Church as contributing members, bearing witness that no life is beyond the reach of God's power, and in the lives of believers, enabling the Church to influence every arena of life, advancing truth, justice, mercy, love, goodness, and beauty.
