We are in need of cell phones for the pastors we support in Leon, Nicaragua. We have a mission team going in the middle of October and would like donations to be carried during this trip. If you have a cell phone that is from AT&T, Sprint or TMobile that has a SIM Card installed, please drop them off at the church office before October 10th. For any questions, please contact Joy Williams at joydouglass@yahoo.com.

TRANSPORTATION NEEDED

Transportation is needed to bring a couple to the 11 AM traditional service each Sunday. He is Chinese and his wife is Korean and they live in the Alumni Village at FSU. They only need a ride to church as someone is able to take them home each week. Please call Susan Moreton at 893-1116 if you can help.

CHILDREN'S MINISTRY NEEDS YOU!

Thank you so much to all of the wonderful people who have volunteered to serve on Sunday mornings in our preschool and elementary programs! While we are delighted to see some new faces, we still need volunteers at both the 9:30 and 11:00 hours. To find out more about how you can get involved leading or assisting a small group, greeting kids when they come in the door, sharing a Bible story, leading worship, running A/V, wrangling kids, helping with crafts or setting up behind the scenes, contact Jessica McAbee (jmcabee@kumconline.org) or Elizabeth Giles (egiles@kumconline.org)!

BLESSING OF THE ANIMALS

KUMC will hold a "Blessing of the Animals" service on Sunday, October 23, at 3:00 PM in the prayer garden and courtyard. It isn't some mass foray but an annual celebration known to some as the Feast Day of St. Francis and to others as World Animal Day. The service is taken from the United Methodist Book of Worship.

All God's creations reveal something about the nature of God and God's love. In addition, animals bring comfort and solace to many who live alone. Children, youth, and adults are invited to bring pets and service animals as all living things gather to give thanks to God for all of creation. All animals **MUST** be securely leashed, caged, or in a carrier. If your pet is aggressive or hyper around people or other animals, please bring him or her in a carrier or crate. If you are not able to bring your pet, you may bring a photo.

CHANGE THE DATE/SAVE THE DATE

KUMC will be hosting a Church-wide "Shoobox Stuffing Party" that you won't want to miss!

October 26th

5:30–6:30 Fellowship Dinner
6:30–7:30 Shoobox Stuffing

There are several ways to be involved in this year's Operation Christmas Child:

- Pick up a donation list from the Mission Room located in the Epworth building
- Fellowship with your KUMC church family as we stuff shoeboxes, share a meal and learn more about this outreach opportunity.
- Gather items and drop them off in bins located throughout the campus by October 23rd.
- Bring already filled shoeboxes and drop them off on UpStreet or the various bins between now and November 5th.
- Or you can do all of the above!

We encourage you to take this opportunity to share with your family how they can be a blessing to others through the loving act of giving. Items such as school supplies, toothbrushes and socks are merely part of our daily lives and not usually included among the beautifully wrapped gifts decorating our Christmas tree. But the stark reality is, there are children to whom these items are an amazing blessing. A love offering of \$7 for adults, \$3.50 for kids is appreciated to cover the cost of shipping the shoeboxes.

Reservations for dinner are required by October 23. Please email jmcabee@kumconline.org.

If you have any questions, please contact KUMC Children's Ministry Team. We thank you and your children for your generosity and your willingness to pay your blessings forward.

KUMC MEN

KUMC Men - Tailgate Trivia III is almost here! Gather a group of friends and form a team, tailgate around campus and then enjoy a sports trivia pursuit challenge in the fellowship hall on the evening of October 13th. Reserve your tailgate site at the table in the courtyard on October 2nd (only). Your team can bring or cook your own grub and tailgate while listening to KUMC's own Darren Schwartz and

The Resound band. (**Proceeds from the tailgate site rentals go to support the KUMC mission of your choice**).

SMALL GROUP COORDINATION PROJECT

KUMC is attempting to update their communication directories with a congregational survey. In addition, we hope to garner information about ongoing Small Groups that are affiliated with the church as well as the potential for new Small Groups. We would greatly appreciate your confidential participation in a brief electronic survey for this purpose. There are numerous groups that began gathering together based on an affiliation with our church and we want to be in closer communication with you for any number of reasons. Perhaps you need an update on a new Sermon series coming up and want to sync a complimentary study; perhaps your group is seeking a local mission project and can benefit from the church's insights or; perhaps you would like to join with other Small Groups to accomplish a particular service project. We would like to assist you in your connections. KUMC defines Small Groups to include adult and youth Accountability Groups, Bible Studies, Sunday School Classes, Men's Groups, Women's Groups, Circles and Crafting Groups, Exercise and Sport teams, other small committees and groups that may defy definition, but are none the less affiliated with KUMC. If you would like to find a Small Group to get plugged into, please be advised that finding an Open Small Group or creating a new Small Group may take some time. But, this is of critical importance to the church and we expect this survey to greatly aid our leaders in this regard. The survey was sent out this past week by email using the ENews master list and within the following two weeks a printed copy will be sent by mail to those whose email address are not available to us. If you do not receive the survey by either of these means please contact the church office. Please fill out the survey before October 30. We will acknowledge each survey participant on or before November 4 regarding our ideas on how we can generate a new coordinated line of communication.

To participate go to the survey before October 30th via this hyperlink: <https://www.surveymonkey.com/s/7K6JT8V>
