

Please complete this page and return it to the church on November 20

The top half is for your financial commitment. The bottom half is for your service commitment.

Financial Commitment for His Church & His Mission

The operating budget allows our church to fund the ongoing costs, to maintain and even expand the ministries of His church, and to provide for discipleship opportunities.

The Missions budget provides resources to support a wide range of outreach opportunities both locally and internationally. Your financial commitment to Missions is intended to be in addition to the tithe given for the operating budget.

I/We plan to give accordingly:

Service Commitment for His Glory & to benefit others

There are many opportunities to develop and use your unique talents at KUMC. The Ministry Opportunities Guide available in the narthex, the church office, or on the website (www.kumconline.org) lists and briefly describes many areas of ministry in which you can serve. Stewardship is meant to be all-emcompassing and includes not only your financial commitment, but the use of your God given spiritual gifts.
